Boarding Discounts

Dear clients,

I am currently working to get the auto applied boarding discounts to work correctly.

If you are worried when you see the cost of boarding, please know that I have the ability to adjust the rates myself. Here is an exact breakdown to how the discounts are applied.

Days of daycare or boarding for PREVIOUS month	boarding rate the month AFTER
0 days	$75 per-night
4 days	$70 per-night
12 days	$60 per-night

We will always adjust and make sure to be as consistent as possible when honoring boarding rates. If you ever feel that we are not consistent extending or honoring a rate. Please, never hesitate to ask or inform us, at any time, that we are making a mistake or missed applying a discount!
